Respected Sir,

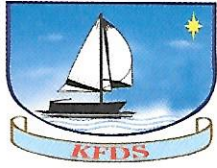

Subject : BEST TEACHER award

Let me begin by thanking you for your participation in our little organization's meeting held at Eraviputhenthurai parochial house in June 2015.

I am writing to you to point out a serious issue regarding one of our long cherished projects, the **BEST TEACHER** award. Owing to the very poor response we received from the honourable headmaster regarding the above – mentioned subject, I am compelled to write this letter for your kind attention and necessary action.

A key element of this letter is public opinion regarding the action taken on the above subject which appears in Thoothoor.com every now and then. Through this letter, I put across the standard of care the KFDS is applying and concern it has for public opinion. This project is something the people desire, something they have an interest in or may be something KFDS certainly sees a great value in.

The facts and details were laid out in greater detail before the headmaster in black and white on several occasions in the past. At times, we, the members of KFDS met

Ref. No: him at his residence and apprised him of the pros and cons of the project. There, he.....
pointed that he found no objection in implementing it.

It is my understanding that our present headmaster is efficient and hardworking. He is also a good administrator. Besides these, he musters an overwhelming public support whenever he airs his views on pivotal issues. It is also true that he is officially preoccupied. Yet, he can explore the possibility of executing it with the whole – hearted support and co-operation of our dedicated teachers.

For the last several months, he has not been able to give us a solution. I would like to ask for a rehearing from him. As we are answerable to the public, it is our foremost duty to publish the outcome of this venture in Thoothoor.com.

Please let me know as soon as possible about your proposition to correct this issue.

Sincerely,

Antony Xaviour
