 All the good-hearted parishioners who supported this construction by paying the parish dues, giving generous donations, sponsoring various construction essentials, giving interest-free loans, giving small-interest loans, giving gold to avail loan, and in many other ways.

 All BCC units, Organizations, and various Ministries for their valuable services.

 All the priests and sisters of the soil, St. John the Baptist convent Thoothoor, and church employees for all the support received.

 All those who worked in the construction such as the Consultants, Architects, Contractors, Suppliers, Engineers, Supervisors, Labourers, and all others who were an integral part of this construction.

 All the parishioners and natives who served through various construction committees, parish councils, and finance councils since the blessing of the foundation stone.

 All the nearby parishes for having extended their help by providing their respective community halls for the need of our parish and parishioners during this time.

Let us all unite and cherish the moment together!
